Harvest Moon Trailway Maintenance Notice: Repairs in Coldbrook and Kentville

June 11, 2024

Maintenance crews will be working on the section of the Harvest Moon Trailway between Mitchell Avenue in Kentville and Scotian Gold in Coldbrook from June 11 to June 14.

The trail will remain open to the public during this time, but trail users are asked to be cautious when travelling through active work sites, especially around heavy equipment. Please respect all barriers in place for the safety of everyone on the trail, and the hard-working maintenance crews focused on the improving the trail for everyone's enjoyment.

The Municipality of the County of Kings thanks the committed workers maintaining our community's trail system for their dedication to ensuring we can all continue to enjoy the beauty and functionality of the Harvest Moon Trailway.

Thank you for your cooperation and understanding.
