COUNTY *of* KINGS

**Aylesford Lake Beach Reopening Aug. 24 at 10 a.m.**

August 23, 2024

Aylesford Lake Public Beach is reopening Aug. 24 at 10 a.m.

The public beach was closed as a precautionary measure due to higher than acceptable bacteria counts in water tests reported on Aug. 20. Water tests conducted on two consecutive days following the beach closure showed that it is safe to reopen Aylesford Lake Public Beach.

The Municipality of the County of Kings apologizes for any inconvenience beach closures may cause. In addition to posting signage at the site, the Municipality publishes updates about Aylesford Lake Public Beach closures on [www.countyofkings.ca](http://www.countyofkings.ca) and the Municipality's [Facebook](#) and [Twitter](#) accounts.
