

MUNICIPALITY of the  
COUNTY of KINGS

**Councillor Grants to Organizations – 2025/26 Application**

The Municipality of the County of Kings believes in supporting the work of community organizations through grants to registered non-profit organizations. Council has adopted a [Community Grants Policy](#) which you can find [here](#). Please review the policy for more details about the review and evaluation of applications and the grant awarding process.

Through the Grants to Organizations program, Councillors may support requests from community organizations that are not otherwise eligible to receive funding from the Municipality through another grant program. Please review the Community Grants Policy for more detailed information and eligibility.

Disbursement of these funds is solely at the discretion of individual Councillors; with the awarded grants issued to recipients by the Municipality.

**Maximum Assistance Available** for any one project: Maximum of \$7,500

*Councillors equally share a budget that is determined annually during budget deliberations. Each member of Council determines the amount of support they wish to provide to any applicant organization. At their discretion, Councillors may select one or more projects from any District to receive funding.*

Organizations that have received funding from any other program under the Community Grants Policy are ineligible to receive funding under the Councillors Grants to Organizations fund.
